SUPERINTENDENTS' DEPARTMENT

Dear Sirs,

"CAMBRIDGE"

I have your letter of the 12th instant and note the difficulties being encountered by this ship which may result in her being unable to complete the full range of her discharging ports before the end of August next.

Subject to the Renewal Survey required before the expiry of the present Load Line Certificate on the 1st August, being satisfactorily completed, the Committee are prepared to agree to a further short postponement of the Special Survey and the necessary instructions will be sent to the Society's Surveyors concerned if you will kindly indicate the port at which you desire this inspection to be held. At the same time will you also state the anticipated completion date in order that the Surveyors may be instructed to extend the Load Line Certificate accordingly.

Yours faithfully,

pro Secretary
