ENCLOSURES.
(Two Certificates)

8th February, 1937.

Dear Sir,

With reference to your letters of the 4th and 5th instant respecting the new motorship "SUSSEX" (Glasgow Report No.57900) I enclose herewith hull and machinery classification certificates for transmission to the Builders on satisfactory completion of the trials.

It is noted that these will now take place on Thursday next, and I shall be glad if you will kindly advise me that they are satisfactory so that the reports may be submitted for assignment of class at the meeting of the Sub-Committee for Classification on Friday next.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,

GLASGOW.
