Dear Sir,

In reply to your Classing letter of the 28th ultimo regarding the forging reports in connection with the S.S. "EMPIRE BARRIE", Sunderland First Entry Report No. 33374, we have to confirm that these forging reports are the correct ones and also that the dimensions as given on the First Entry report are the correct ones and were obtained from the forgings as finished.

The fact that the "rough machined" dimensions given on the forging reports do not agree with these, due to a clerical error, is to be regretted. The forging reports are returned herewith, duly amended.

We are, Dear Sir,

Yours faithfully,  
 THE SURVEYORS,

The Secretary,

WOKINGHAM.
