71, Fenchurch Street, London, E.C.3

Telegrams: Committee, Fen, London

Telephone: ROYal 9166

Enclosure

28th April, 1959.

Dear Sir,

Steamer "TROCHISCUS"

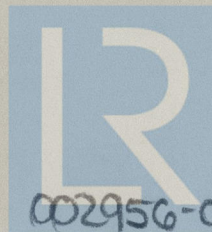

(2)/sn.(S)  
SJJL  
With further reference to the telephone conversation which took place with Mr. Fennell on the 22nd April, I enclose a copy of my letter which has today been addressed to the Owners, from which you will note that the condition of class in respect of the lower temperature detectors of the propulsion motor stator has been deleted.

The following note has, however, been inserted in the appendix to the Special Reasons List: "Lower temperature detectors of propulsion motor stator removed".

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

The Secretary,  
LIVERPOOL.
