Lloyd's Register of Shipping.

Port Galveston, Texas

8th October, 1948

This is to Certify that I have
Part

Surveyed the Boiler and Machinery of the S/S "TROCHISCUS"
10668 tons gross register of London whilst afloat and on dry-
dock at Todd Shipyards Corporation, Galveston, Texas, on the
23rd September and subsequent dates for Docking and Boiler
Survey.

^{we}
and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
^{us}
recommendations made by ~~me~~ in connection therewith have
^{our} been carried out to ~~my~~ satisfaction, and that I have
^{we}

Recommended that the record of LMC (with date) when the
survey has been completed and the notation of Boiler Survey 10,48

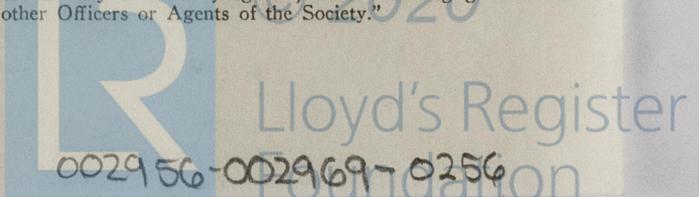

be made in the Register Book in the case of this vessel, subject
to a spare propeller being placed on board at first opportunity,
and suction valves on O.P. bunkers to be controllable as per Rule
requirements.

Bloomfield & James Tindley
Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in
entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of
its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
