QUESTION

ANSWER

With reference to the entry in the Special Reasons list, I shall be glad to learn that arrangements are proposed to be made for the Screwshaft to be renewed, as recommended.

You will observe that the Main Boiler Survey will become due at the end of November.

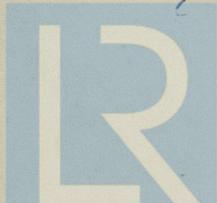

J. J. J.

Date:— 4th October, 1957.

According to the Owners the ship is now on a voyage to North Russian ports and after return from this trip to some Continental port she will probably be laid up, and the renewal of Screw shaft and The Boiler survey will then be carried out if the ship begins her sailing again.

I remain, Dear Sirs,
Yours faithfully,

J. J. J.
