QUESTION

ANSWER

Date:— 23rd February, 1960.

With reference to your letter of the 16th November last, it is concluded that this ship is still laid up, but I shall be glad if you will let me know if this is so.

The Owners should be reminded that the Special Survey and Main Boiler Survey become due at the end of March next and their intentions regarding the carrying out of these inspections will also be appreciated.

The Owners state that the vessel is still laid up at this port.

They have been requested to advise us of their intentions regarding survey requirements but it is not anticipated any work will be carried out whilst vessel is laid up.
