Dear Sirs,

CLASSING LETTER

"ANNAMINA" 9784 As recommended. Although a notation of ES 9,62 has been assigned, I would point out that the starting air pipes should also have been examined in accordance with Notice No. 1 dated the 25th January, 1962. In the circumstances I shall be glad if you will request the Owners to arrange for this item to be dealt with at the earliest opportunity.

Two certificates respecting the hull and machinery are now enclosed.

Yours faithfully,

pro Clerk to the
Classification Committee

The Surveyors,
PIRAEUS
