

Steamer "CEDARPOOL"

Mr. Philby of Sir R. Ropner & Co., Ltd., has telephoned that this ship has now been sold to be broken up. The terms of the contract provide for the delivery of a Certificate that the vessel is fit to be towed as an unclassified ship to Bremerhaven or Hamburg.

She is laid-up in the River Stour ^{above} by Harwich, and the Owners desire our Surveyor to attend as soon as possible with a view to the issue of the necessary certificate.

The local agents are Messrs. Broom & Son, Harwich, and the Surveyor should get in touch with them and inform them of any opening up that may be necessary before his visit to the ship.
