47, Church Street,

West Hartlepool, 21st September, 1942.

Reference

S

Dear Sir,

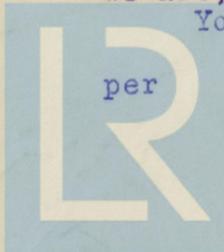

With reference to your letter of the 18th instant regarding the S.S. "EMPIRE CLARION", we have to state that double treble straps have been fitted throughout the keel plate,  $\frac{7}{8}$  rivets spaced 4" apart being used, as approved for the B type fabricated vessels.

We regret that this has not been made clear in our report.

We are, Dear Sir,  
Yours faithfully,  
The Surveyors,

per

The Secretary,  
WOKINGHAM.
