9th January, 1924.

Dear Sir,

Reverting to your letter of the 2nd instant respecting the engines No.2289 made by the Ateliers & Chantiers de la Loire, I have to acquaint you that a letter has now been received from the Society's Surveyors at Havre, from which it appears that owing to the decision of the French Government not to build the vessel for which these engines were intended, the engines have been sent to the Arsenal at Cherbourg.

In the circumstances I shall be glad if you will arrange for a certificate on Form 10 to be prepared and forwarded to this Office.

I am, Dear Sir,

Yours faithfully,

Secretary.

R. J. L. Ward, Esq.,
