ANGLO MÆRSK

Copenhagen,

30th April, 1962.

8 KONGENS NYTORV, MM/ivn

2 - MAY 1962

Lloyd's Register of Shipping,
Fenchurch Street,
London E.C.3.

Attention: Mr. G. Buchanan

Dear Sirs,

"ANGLO MAERSK".

Further to our telephone conversations and my letter of April 27th I much regret to advise you that matters having apparently worsened and taken an unexpected turn the vessel sank on Saturday morning 150 miles north east of Barbados. There was thus no opportunity to even consider on the spot any towage as discussed.

Very truly yours,
