Att: Mr. G. Buchanan

Dear Sirs,

"ANGLO MAERSK".

Further to our telephone conversations and to my letter of April 27th I much regret to advise you that matters having apparently worsened and taken an unexpected turn the vessel sank on Saturday morning some 150 miles north east of Barbados. There was thus no opportunity to even consider on the spot any towage such as discussed.

Very truly yours,

and, ...
motor tanker Anglo Marek in position
lat. 16 28 N, long. 68 16 W. After
superstructure, virtually gutted but
small fires still burning and too hot to
examine closely. Master unwilling to
sign any salvage agreement until fire
out and damage all known. Expect
