Dear Sirs,

S.S. "THORNBURY".

It is noted from your memorandum of the 16th October that the ship is still laid up, and with regard thereto I shall be glad if you will inform the Owners that the Committee are agreeable to the outstanding surveys remaining in abeyance meantime, provided they are held before the ship again proceeds to sea.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
HELSINGFORS.
