12th December, 1958.

Dear Sirs,

Motorship "CASSIAN SEA"

I acknowledge your letter of the 9th instant and have read your comments to the Committee at their meeting today.

In reply they desire me to point out that the year of grace permitted for the completion of the overdue Special Survey will expire in this instance at the end of the present month, and that they would not feel justified in agreeing to a further voyage as a classed ship being undertaken after that date.

I therefore regret to inform you that the Owners' request cannot be approved.

I would take this opportunity to remind you that the Load Line Certificate issued by the Society in this case expired on the 6th instant.

I shall be obliged if in due course you will inform me of the Owners' decision as to whether the vessel is to be laid up at the termination of the present voyage, or whether they propose to maintain class by holding the overdue inspection.

Yours faithfully,

Clerk to the
Classification Committee
