Dear Sir,

m/v "CASSIAN SEA".  
-----

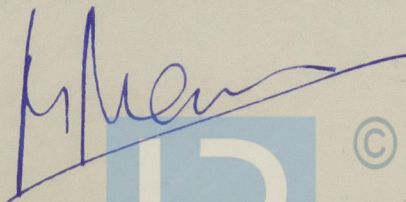

With reference to our conversation to-day with your Mr. Martin, we would kindly ask you to note the following :

Owners of the above vessel have received an offer to perform one more voyage - Black Sea return Mediterranean or Continent and we would ask you to submit our application to the Classification Committee with the view of extending the class of this vessel for one more voyage.

Present intention is to withdraw this vessel from commission at the completion of this present voyage and Owners feel that with the added trading period allowed, they would either position the vessel favourably for a lay up berth, or avoid the severest part of the winter.

Trusting our request will receive the Committee's favourable consideration, we thank you in advance, and remain,

Yours faithfully,  
for MARCOU & SONS (SHIPBROKERS) LTD.,

Director.
