5th November, 1958.

(S)
L Dear Sirs,

Motorship "CASSIAN SEA"

With reference to my letter dated 20th October, the report of the survey held at Swansea late last month has now been received.

An examination was made of the Nos. 1 and 2 main engine cylinder covers and it was recommended that a further examination should be made by the end of March, 1959. The Committee have continued the class subject to this matter receiving attention by the time stated.

The inboard generator governor was also examined and found satisfactory, and the Committee have deleted this condition of class.

The Donkey Boiler Survey was completed and the notation DBS 1,58 has now been assigned.

A further communication from you regarding the carrying out of the Special Survey and Screwshaft Survey is now awaited.

Yours faithfully,

Assistant Clerk to the
Classification Committee.
