Dear Sir,

Re: M.S. "PAUL HARNEIT" (F.Schichau's Yard No.1350).

I beg to return under separate cover a number of approved plans and copies of Certificates for the above vessel, now in my possession.

From the test sheets of the boiler material it appears that the range of tensile strength does not exceed 6.3 kg/sqmm. for the single parts.

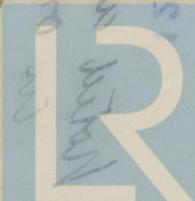

I beg you to kindly excuse the delay.

I am, Dear Sir,

Yours faithfully,
