Reverting to your Report No.13889 of the special examination carried out by you on this ship, and to my letter of the 17th ultimo addressed to the Society's Surveyor at Bergen, a copy of which was sent to you for your information, I think it well to inform you that advice has now come to hand that the necessary re-inforcement will be attended to at your port early next month.

I shall therefore be glad if you will give the matter the necessary attention, and I enclose, for your information and guidance, a copy of the amended plan referred to in the above-mentioned letter of 17th ultimo.

Yours faithfully,
