Dear Sir,

Transversely framed tanker "GARD" And.....

With reference to your letters of the 6th January last and the 17th instant the owners again request to be allowed to postpone the reinforcement until the Special Survey which falls due in September 1954 as the charter for this ship does not expire before the end of July 1954 and this charter is very favourable.

I understand they are willing to have the ship again specially examined next docking.

I am, Dear Sir,
Yours faithfully,

S. A. Ride

Surveyor to Lloyd's Register.

The Secretary,
Lloyd's Register of Shipping,
LONDON.
