With reference to your circular letter dated 28th May, 1952, regarding transversely framed tankers, and your letter of the 29th August, 1952, addressed to the Bergen surveyor, regarding this particular ship, we enclose herewith a plan prepared by Messrs. Burmeister & Wain of this port showing the proposed additional stiffening to the vessel.

This plan has been prepared after discussion with this Office and has been approved here. The particular type of girder was requested by the Owner.

Yours faithfully,
