Copenhagen, 13 Jan. 20.

Lloyd's Register of Shipping,

Frederiksgade 12.

S,

Re Yard No. 315.

The owners of the above vessel have asked us to
them for building the vessel as an Awningdecker instead
originally intended as Shelterdecker, for the purpose
gaining an increased deadweight carrying capacity.

The ship being already framed up, we kindly ask
inform us - by wire - the reduction which can be expected
freeboard, provided the present scantlings remain unaltered
the tonnage well, the washports and scuppers abreast of
and the scuppers in the Shelterdeck through the shipsides
ensured with.

The particulars for calculating the freeboard will
be the same as for our yard No. 310.

Sgd. Burmeister & Wain,

V. Bundegaard Wilh. Petersen.
