

1/2 CASSERO

1/2 CASSERO

[illegible]

The main drawing shows a cross-section of a ship's hull. Key components and dimensions include:

- Top Structure:** Dimensions of 250, 250, and 250 are shown at the top. A section line 1-1 is indicated.
- Internal Structure:** Vertical plates are labeled V.PR.14 (8mm), V.PR.13 (2 60/120), and V.PR.15 (8mm, 1-6).
- Horizontal Plates:** Dimensions of 70x8, 100x8, and 100x8 are shown for various horizontal plates.
- Curved Structure:** The hull's curvature is defined by a radius of 102 and a thickness of 8mm.
- Detail Views:**
 - Stilo II:** Shows a detail of a horizontal plate with dimensions L 90x60x8 and Stilo I (8mm).
 - Stilo III:** Shows a detail of a curved plate with dimensions 300, 8mm, and 100x8 (2).
 - Stilo IV:** Shows a detail of a curved plate with dimensions 300, 8mm, and 100x8 (2).
