23rd October, 1958.

Dear Sir,

S.S. "EASEDALE"

With reference to the classification in this Society's Register Book, I shall be glad to learn what arrangements are proposed to be made for the Special Survey, due at the end of the present month, to be carried out.

The Screwshaft and Boiler Surveys will become due at the end of November and December respectively and the Steam Pipe Survey became due so long ago as March 1957.

I would also point out that the Annual Loadline Survey became due on the 8th instant.

Yours faithfully,

cc. F.B.D.

Clerk to the
Classification Committee.

The Secretary,
The Admiralty,
(Naval Store Dept.),
Whitehall,
LONDON, S.W.1.
