Dear Sirs,

M/T "UARDA"

I acknowledge your letter of the 19th ultimo and have since submitted this case to the Committee here.

In reply they have authorised me to say that, in these circumstances, they will not press for the Screwshaft Survey to be held prior to the ship reaching Hong Kong for breaking up, it being understood that she will proceed direct to Hong Kong from China after discharge of her present cargo.

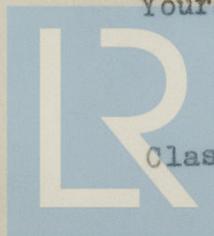

Yours faithfully,

c.c. H.Kg

Clerk to the  
Classification Committee

The Surveyors,  
MALMO.
