Dear Sirs,

M.S. BRITISH PROGRESS"

With reference to the Special Survey, which became due at the end of December last, the Committee have agreed to consider postponement of this inspection until February next provided the vessel is submitted to a satisfactory General Examination in drydock.

The Owners state that this vessel is due to drydock at the Prince of Wales Drydock Company (Swansea) Ltd., about the 8th April when the above inspection, together with the Loadline Survey, will be carried out.

I shall be glad if you will give the case the necessary attention and your report is awaited in due course.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
SWANSEA
