Dear Sirs,

Motorship "BRITISH PROGRESS"

I acknowledge the receipt of your letter of the 21st instant and in reply am pleased to say the Committee will be quite agreeable to the arrangements proposed by you.

You will doubtless appreciate that another Load Line certificate will be required and perhaps when informing me of the port at which the General Examination will be held, you will let me know whether you wish to hold the requisite Load Line Survey now or nearer the end of the present year.

Yours faithfully,

c.c. Freeboard
