Dublin, 2nd February, 1908.

Sir,

In reply to your letter of 31st ultimo, having reference to my first entry report No.2688 on the hull of the new steamer "CARLINGFORD", I beg to state that I regret not having mentioned on the report the fact that the vessel had been taken on 4th January to Glasgow for the purpose of being fitted with her engines and boilers etc.

Possibly the reason I omitted doing so was that on the 19th December, I had written you stating that the vessel would be going to Glasgow for this purpose. I am sorry I did not make mention, on the report, of this letter.

I am, Sir,

Your obedient servant,

Macwilliam

The Secretary,

L O N D O N .
