Dear Sirs,

S. With reference to your first entry report No. 2157 on the steamer "OTRANTO", it is observed that no mention is made therein of the damage sustained by this vessel on the 5th August last by collision with the pier at the entrance of the High Level Bridge, Barrow, whilst being moved from the Devonshire Dock to the Buccleugh Dock, referred to in your damage report, dated 8th September, 1925.

I shall therefore be glad if you will furnish a report of this damage on form Rpt. 8 by return of post, so that this document may be submitted to the Committee with your First Entry reports on the vessel next Tuesday.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

BARROW-IN-FURNESS.
