The Secretary,
Lloyd's Register of Shipping,
L O N D O N.

Dear Sir,

On looking over your "Register" in connection with two or three of the City Line steamers, the writer would like to mention that ~~the~~ "CITY OF SYDNEY" is fitted with low pressure turbine with double reduction gearing, the same as in the case of "CITY OF DIEPPE", but this does not seem to appear in your Register for 1931.

Yours very truly,

For THE CITY LINE LIMITED,
