The Boiler Survey became due in September last.

In reply to enquiry, the Society's Surveyor at Port Natal now states that the Owners do not wish to retain the classification of this vessel.

The Classing Committee had the case before them on Tuesday, the 1st instant, when, in the circumstances, they decided to give instructions for the vessel's character to be withdrawn from the Register Book and Three Dots (. . .) inserted in lieu thereof, indicating  
3,38  
withdrawal of class at Owners' request.
