18th March, 1930.

Dear Sirs,

M.

I have to inform you that the Steel Barge "JAMES ROCKBREAKER" built by Messrs. J. Meyer's Shipbuilding Co., Yard No. 562, has proceeded to your port to have the boiler installed.

To complete the survey the following remains to be done :-

Boiler to be fitted and casing top to be riveted; suction arrangement to be completed.

The Rotterdam Surveyors state it is the Owners' intention to submit the equipment, which is to be placed on board at your port, for approval to obtain the figure 1.

I shall be glad if you will give the case the necessary attention, and on completion of the survey to forward a report on form 8, with a view to the classification of the vessel.

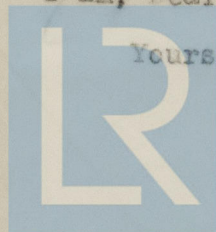

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

SOUTHAMPTON.
