Lloyd's Register of Shipping,

Collingwood Buildings, Newcastle-on-Tyne, 1.

10th October, 1946.

The Secretary,
LONDON.

Dear Sir,

m.v. "TREWORLAS" (ex "HARPAGUS")
Newcastle Report No. 103998.

We have to forward herewith our Reports on the new fore end constructed by the Shipbuilding Corporation Ltd., (Tyne Branch) and now fitted to the old after part of the ship, and of the surveys held in connection therewith. The specification work involved with the new fore end has been carried out as required by the D.M.S. for a vessel of this type.

The fees proposed to be charged in this connection are as follows, and we shall be glad to have your confirmation of these. These have been shown on the reports but in the meantime the accounts have been withheld.

HULL:

Special Survey during construction of new fore end	£200. 0. 0.
Survey for specification requirements.		£ 50. 0. 0.
Special Survey (old after part)	...	£ 17. 0. 0.
Damage	£ 73.10. 0.
Freeboard Renewal Survey..	£ 5. 0. 0.
