

Lloyd's Register of Shipping.

Port NEWCASTLE-ON-TYNE.

13th September, 1946.

D.M.B. SURVEYORS'
COMPLETION CERTIFICATE.

THIS IS TO CERTIFY that the Undersigned Surveyors to this Society, did, at the request of the Admiralty, survey during construction, the Hull and Electrical equipment of the Fore end of the steel screw motor vessel "TREWORLAS" (ex "HARPAGUS") 7265 tons gross, of London, built by Messrs. Shipbuilding Corporation Ltd., (Tyne Branch), Walker Shipyard, Newcastle-on-Tyne.

The New Fore End has been built and equipped in accordance with the requirements of the Society for Class 100A1.

All the requirements of the finally approved plans and Admiralty "As fitted" specification have been carried out.

The trial of the windlass was carried out on the River Tyne on the 30th August, 1946, with satisfactory results.

G. Campbell
..... Ship Surveyor.

R. B. Storie
..... Electrical Engineer
Surveyor.

icate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
e Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
gister Book or other publication of the Society, or for any error of judgment, default or negligence of any of its
any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
