28th July, 1946.

Dear Sir,

With reference to Glasgow Report No.70176 on the British Polar Engines Ltd's Engine No.584, I have to inform you that this engine has been satisfactorily fitted at Hull on board the Motorship "CATO", which vessel has been classed ~~100A1~~, together with notation of ~~ELMC~~ 6,46 Oil Eng.

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,  
GLASGOW.
