ualty 14th January, 1959.

asualty

Caught fire from burning oil tanker in harbour at Iskenderun, and has since been lying at moorings pending a decision on repairs.

The Istanbul Surveyor now states that many months may still elapse before a decision is reached.

30th January, 1963.

The machinery has been removed from this ship and formalities are now in hand for the hull to be sold as scrap.
