Dear Sir,

Salvage ship "IMROZ" (R.B.No.15133)

We would be most grateful, by return, for the First Entry particulars of the Bower Anchors supplied to the above ship.

One of the Original Bower anchors ^{Copied} has been placed onboard the new "IMROZ" ex "SALVIOIA" as spare, unfortunately all the particulars cannot be deciphered and the particulars requested will assist this office to verify the anchor now placed onboard.

The Owner stated that the Dossier containing the Anchor certificates was destroyed at the time of the casualty at Iskenderun.

For the Surveyors,
Yours Faithfully,

John M. Taylor
