p's name

M/V "ERNEBANK"

Port

ADL

No. 7064

Last survey date 2.10.62

ss is subject to Nil

26 OCT 1962

ABS due 7.62 now held.

A General Examination of machinery carried out for purpose of deferring the Special Survey until 12.62.

Repairs

Internal feed pipe for auxiliary feed check valve of Port boiler found fractured and removed. Recommended this pipe be renewed by 12.62 but, since this item is not a rule requirement, no subject of class is required.

IT IS SUBMITTED that this vessel is eligible for the record ABS 9.62 and the proposal to defer the Special Survey until 12.62 merits approval.

Advise Surveyor re subject of class not being required.
