25th February, 1960.

Dear Sirs,

S.S. "UMRAN"

Classn. (H)

I acknowledge your memorandum of the 15th February. The Owners' proposal to complete the Boiler Survey on the ship's return to your port about the middle of March from the present voyage to the Continent has been approved.

The Steam Pipe Survey became due so long ago as August, 1958 and it is concluded that this will be held when the Main Boiler Survey is completed.

In the event of the Main Boiler and Steam Pipe Surveys not being dealt with as now arranged, you should advise this Office immediately.

Yours faithfully,

The Surveyors,  
ISTANBUL.

Deputy Clerk to the  
Classification Committee.
