H. Dear Sirs,

With reference to the classification in this Society's Register Book of your Steamer "HITHURWOOD" I beg to remind you that the Society's Surveyors at Southampton recommended in November last that the I.P. Cylinder of this vessel should be again examined before the end of the present month. In the circumstances I shall be obliged if you will kindly let me know for the information of the Committee what arrangements you propose making for this to be done.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.
