LONDON E.C.3.

Dear Sir,

m.v. "CORNISH CITY"

We thank you for your letter of the 2nd January, from which it is noted that the Society's Surveyor at Aden has been approached by Mr. D. Williams of Messrs. Holman, Fenwick & Willan for answers to several questions relating to his observations in the engine room. We have no objection to the questions by the Club being answered by the Surveyor and we would prefer that any correspondence on this matter be dealt with through us.

Yours faithfully,

H. A. E. Caswell
Director.

P.S. Since writing, we have spoken to Messrs. Holman, Fenwick & Willan, who are our Solicitors, and they advise us that at a later date they will ask to inspect the Classification Records for this vessel and we shall be glad if you will kindly allow them to do this.
