Dear Sirs,

Motorship "CORNISH CITY"

With reference to this vessel's unfortunate casualty at Aden recently, the Society's Surveyor at that port has written that he has been approached by Mr. D. Williams of Messrs. Holman Fenwick & Willan representing the West of England P. & I. Club, for answers to several questions relating to his observations in the engine room.

It is concluded you will have no objection to the Surveyor answering the questions raised by the Club, but I shall be glad to receive your confirmation on this point; and perhaps at the same time you will kindly state whether you desire the correspondence to be conducted through you or directly with Messrs. Holman Fenwick & Willan.

Yours faithfully,

Clerk to the  
Classification Committee.

Sir William Reardon Smith & Sons Ltd.,  
Devonshire House,  
Greyfriars Road,  
Cardiff.

c.c. to Mr. Wormald, Cardiff.
