Dear Sir,

"Ryujin Maru"Kobe Report No. 6656

We acknowledge receipt of your classing letter dated 28th July last. In drilling the deck plating, the plan used for the original thicknesses was the Longitudinal section and Decks and we enclose ~~our~~ copy of this plan for your information. It will be appreciated if the plan can be returned at your convenience.

We trust this will meet with your requirements.

Yours faithfully,

For the Surveyors.

Enclosure: Sent under separate cover.

The Secretary,
