Lloyd's Register of Shipping,

High Close, Wiltshire Road,

Wokingham, Berks.

19th March, 1940.

S/S "Alhambra"

Dear Sir,

With reference to the cases of vessels owned in your district, whose names appear on the attached sheet, and in which a notation of "No Later Survey Reported" is posted in the Register Book, I have to acquaint you the Committee consider the forthcoming reprint of the Register Book to be an opportune time to review the question of the continuance of this notation.

To this end, I have to request that you will get in touch with the Owners immediately and let me know whether it is their ~~intention~~ intention to continue the classes of these vessels. If so, will you be so good as to inform me as soon as possible what arrangements are proposed to be made for the vessels to be submitted to the requisite surveys.

The matter should be considered as urgent, seeing that the reprint of the book is now actually in hand, and you should let me ~~know~~ know, without fail, by the middle of next month, the circumstances of each particular case, as unless definite arrangements are forthcoming the Committee will doubtless give instructions for class particulars to be omitted from the Register Book.

I am, Dear Sir,

Yours faithfully,

R. Zubiaga, Esq.,

BARCELONA.

Clerk to the
Classification Committee.
