s.s. "STAD SCHIEDAM" - No.R.B.32042

Dear Sir,

We are in receipt of a letter from the Owners of the above ship, Messrs. Halcyon Lijn of this Port, in which they state the following:

"The Annual inspection in drydock of the above ship was held in March 1961 and on that occasion the Boiler Survey and Screwshaft Survey were held.

The next inspection in drydock has been scheduled for March 1962, when the Boiler Survey will also be held.

We would like to avail ourselves of that occasion to have the ship submitted either for a general examination for postponement of the Special Survey (which will become due in November, 1961) or for commencement of the Special Survey."

We kindly request you to let us know whether the arrangement proposed by the Owners can have the Committee's approval, in order that we may inform both the Owners and the Netherlands Shipping Inspectorate.

Yours faithfully,

The Secretary,  
LONDON.
