Dear Sirs,

Steamer "SOUTHERN STAR"

I have to thank you for your letter of the 16th October last which has now received the consideration of the Committee in connection with the work of preparation for the next re-print of the Society's Register Book.

In view of the fact that more than eight years have elapsed since the ship was last submitted to Special Survey, and that, as she is still laid up, no arrangements for survey are contemplated, the Committee have in accordance with their usual practice given instructions for the class to be omitted at the re-print of the Register Book and for the notation "Classed BS\* until 8,58" to be recorded in lieu thereof.

Yours faithfully,

c.c. Glasgow  
c.c. Leith

Clerk to the  
Classification Committee.
