

Whaler "SOUTHERN STAR"

This ship was last submitted to Special Survey in August 1954, and the notation "Surveys overdue 8,58" is recorded in the Register Book.

In view of the fact that the ship is still laid up at South Georgia, and that more than eight years have now elapsed since she was last submitted to Special Survey, it is submitted that in accordance with the usual practice the class be omitted from the next re-print of the Register Book, and that the notation "Classed L.R. until 8,58" be recorded in lieu thereof.
