Survey South Georgia 1955

I am in receipt of your letter dated 28th May, 1956 which I thank you. It has been no mail opportunity to South Georgia during the Winter period and your letter was received here beginning of September which counts for the reply.

546 "So. Star"

The 60 fath. 1. $\frac{1}{8}$ " chain supplied was taken from stock, but we have no test certificate of this or chain here. For your information the vessel will now be laid up and not taken into commission coming season.
