7th November 1961.

Dear Sir,

S.S. "DISCOVERY II"

R I have your letter of the 2nd November, the contents of which have been noted, and would inform you that last week the Committee agreed to consider postponement of the Special Survey provided the vessel was submitted to General Examination, the period of grace being dependent upon the condition as found and reported upon at the time of the General Examination. I would add that the Owners requested twelve months postponement.

Your report is awaited in due course.

Yours faithfully,

Clerk to the
Classification Committee.

R.E. Pritchard Esq.,
