Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

23rd December, 1921.

Dear Sir,

S. With reference to Glasgow first entry report No. 41596, on the steamer "BENREOCH", I have to request that you will forward to this Office the usual letter from the Owners in regard to the bulkhead omission.

It is concluded that the amended size of the stiffeners on the forward bulkhead of the deep tank has been approved and that the thickness of the stiffeners on the bulkhead on frame No.143 is as approved, but I shall be glad if you will kindly ascertain from the Surveyors and let me know whether this is so, and also whether the spacing of the frame rivets is as required and not as stated.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Secretary,
GLASGOW.
